BRAVO

DELUXE

The Bravo is the most durable and dependable expanding display available.

Bravo display is adjustable in 8' or 10' widths.

- A flip-back clamping system lets you adjust height; push-button connections on the horizontal poles lets you adjust width
- Reinforced joints keep the graphics taut over an extended period of time
- Small feet for a discreet footprint
- Artwork is Dye-Sublimated on polyester knit
- Latex Printed on 13oz vinyl

Deluxe display is adjustable in 6', 7.5' or 10' widths.

- Artwork is Dye Sublimated on polyester knit
- 3" pole pocket on the top and bottom of the banner slide over the frame poles for simple installation
- 1.3" diameter poles are strong and durable
- Tempered steel press fittings reinforce the frame's joints
- Vertical and horizontal telescoping poles accommodate various banner sizes
